

- Introduction to Life Sciences
- Applied Science Fast Track

- Certificate in Applied Sciences
Lv 5/6, (Semester 1 – Lv 5)

Progression Opportunities:

- SWAP Access to Physical Sciences only: HNC Engineering
- SWAP Access only – Year 1 entry to various degree programmes
info at: www.swapsurvey.org/progression/east
- Modern Apprenticeship

- Certificate in Applied Sciences
Lv5/6, (Semester 2 – Lv 6)
- SWAP Access to Life Sciences
- SWAP Access to Physical Sciences
- Higher Human Biology
- Higher Chemistry
- Higher Physics
- Foundation Apprenticeship in
Scientific Technologies
- Modern Apprenticeship Lv6

Progression Opportunities:

- Level 3 Abertay University Biomedical Science
- Level 2 Life Science or related degree programme

- HND Applied Biological
Science

- HNC Applied Sciences
- Modern Apprenticeship Lv7

Progression Opportunities:

- Level 1 or 2 St Andrews University
- Level 1 or 2 Abertay University,
Biomedical Science or Forensic Science
- Level 1 or 2 Robert Gordons University,
Bioscience with Biomedical Sciences or
Forensic and Analytic Science
- Other Life Science or related degree programmes
