

Good news!

We're COVID-19 adapted @D&A!

The College has a COVID-19 risk assessment, which means we've checked everything is safe for you to be on campus if you need to be there for your classes, or if you need to book somewhere on campus to study.

For specialist activities (like learning in a lab, workshop or salon) there might be some additional steps to take to keep everyone safe, and your lecturer will make sure you know all about these.

The rest of the time, to stay safe all you need to do is follow this checklist.

D&A COVID-19 Safety Checklist

☒ **Don't come on campus if you:**

- don't need to / don't have a class or a booking
- have COVID-19 symptoms
- are self-isolating / quarantining
- test positive for COVID-19

On campus:

☒ Physically distance by 2m
mind the gap

☒ Wash your hands and use the hand sanitizer available on campus

☒ Wear face coverings where signposted

☒ Follow all campus signage and instructions from staff

AND Check this info, assess your risk and raise any concerns with College staff
